Git & GitHub	

## PROFESSIONAL EXPERIENCE

Web Development Internship, Janko's Little Zagreb August – October 2023  
*Design and develop the Janko's Little Zagreb client-facing web site and a secure manager portal. Find a solution that is more economic than current website setup.*

- Work with stakeholders to determine web site and portal requirements.
- Design UI using Figma and Adobe Illustrator and Photoshop.
- Develop UI and backend using Django and Wagtail CMS.
- Procure and implement production hosting, database, and payment portal solutions.

Shop Manager, Brownsmith Studios 2021 – 2023  
*Fabricate high-end custom furniture, slab tables, and various architectural pieces for commercial and residential clients.*

- Supervise 2 interns and help instruct them in woodworking, shop maintenance and safety, and operating CNC machine.
- Collaborate on 2+ projects monthly ranging from custom slab-tables to commercial business redesigns.
- CNC technician. Operate and occasionally program an AVID CNC machine including maintenance and troubleshooting.

Cellphone Repair Technician, PTS Corp 2020 – 2021  
*Diagnose and repair iPhones and Samsung smartphones.*

- Diagnose and resolve issues using troubleshooting techniques and parts available.
- Provide accurate documentation of each solution.
